

Join the Solid Waste Disposal District for a Free Residential Recycling Event!

Old Electronics and Household Hazardous Waste

Saturday, August 12, 2017

9 am to 12 pm

IRC Intergenerational Recreation Center
1590 9th St. S.W. • Vero Beach

Many common household items can contain corrosive, reactive, or toxic ingredients that should never be placed in your regular garbage. Bring us your electronics and household hazardous waste (HHW) to be properly disposed of and recycled
free of charge!

What Can I Bring...

- Electronics** - Computers, phones, speakers, radios, cables
- Chemicals** - Household cleaners, pesticides, fertilizers, bleach
- Automotive** - Gasoline (5 gal.), motor oil, antifreeze
- Other** - Paint (5 gal.), propane tanks, fluorescent bulbs & more!

Not accepted: ammunition, medication, major appliances
and please no commercial waste!
